

ADVANCE yellow stickers for Book 124D

These stickers are printed by Standing Together Against Domestic Violence.

They are to be stuck on the bottom of page 9. Every Book 124D should have one of these yellow prompt stickers on page 9.

They are intended as a prompt to officers to tell victims of domestic violence about the ADVANCE advocacy service and to then refer to ADVANCE. If the victim declines referral she should be given the ADVANCE orange card (kept at the Front Desk and also printed by Standing Together).

When these stickers run low, please contact Standing Together on the number below and they will organise for more to be sent to you.

If officers are in any doubt as to how to make a referral to ADVANCE they should consult the Standing Together flow charts a) for response officers and b) for CSU officers.

If you have any questions, please contact Standing Together.

Thank you.
